- 3.3 This Agreement will terminate on the termination of the Employee's contract of employment for any reason.
- 3.4 The content of this Agreement may be revised at any time during the above-mentioned period to determine the applicability of the matters agreed upon.
- 3.5 If at any time during the validity of this Agreement the work environment afters (whether as a result of government or council decisions or otherwise) to the extent that the contents of this Agreement are no longer appropriate, the contents shall immediately be revised.

4. PERFORMANCE OBJECTIVES

- a. The Performance Plan (Annexure A) sets out-
 - 4.1.1 the performance objectives and targets that must be met by the Employee; and
 - 4.1.2 the time frames within which those performance objectives and targets must be met.

- b. The performance objectives and targets reflected in Annexure A are set by the Employer in consultation with the Employee and based on the Integrated Development Plan, Service Delivery and Budget Implementation Plan (SDBIP) and the Budget of the Employer, and shall include key objectives; key performance indicators; target dates and weightings.
 - 4.2.1 The key objectives describe the main tasks that needs to be done.
 - 4.2.2 The key performance indicators provide the details of the evidence that must be provided to show that a key objective has been achieved.
 - 4.2.3 The target dates describe the timeframe in which the work must be achieved.
 - 4.2.4 The weightings show the relative importance of the key objectives to each other.
- The Employee's performance will, in addition, be measured in terms of contributions to the goals and strategies set out in the Employer's Integrated Development Plan.

5. PERFORMANCE MANAGEMENT SYSTEM

- a. The Employee agrees to participate in the performance management system that the Employer adopts or introduces for the Employer, management and municipal staff of the Employer.
- b. The Employee accepts that the purpose of the performance management system will be to provide a comprehensive system with specific performance standards to assist the Employer, management and municipal staff to perform to the standards required.
- c. The Employer will consult the Employee about the specific performance standards that will be included in the performance management system as applicable to the Employee.
- 5.4 The Employee undertakes to actively focus towards the promotion and implementation of the KPAs (including special projects relevant to the employee's responsibilities) within the local government framework.
- The criteria upon which the performance of the Employee shall be assessed shall consist of two components, both of which shall be contained in the Performance Agreement.
 - 5.5.1 The Employee must be assessed against both components, with a weighting of 80:20 allocated to the Key Performance Areas (KPAs) and the Core Competency Requirements (CCRs) respectively.

- 5.5.2 Each area of assessment will be weighted and will contribute a specific part to the total score.
- 5.5.3 KPAs covering the main areas of work will account for 80% and CCRs will account for 20% of the final assessment.
- The Employee's assessment will be based on his / her performance in terms of the outputs / outcomes (performance indicators) identified as per attached Performance Plan (Annexure A), which are linked to the KPA's, and will constitute 80% of the overall assessment result as per the weightings agreed to between the Employer and Employee:

Key Performance Areas (KPA's)	Weighting
Basic Service Delivery	20
Municipal Financial Viability and Management	20
Good Governance and Public Participation	20
Local Economic Development (LED)	20
Municipal Institutional Development and Transformation	20
Total	100%

- 5.7 In the case of managers directly accountable to the municipal manager, key performance areas related to the functional area of the relevant manager, must be subject to negotiation between the municipal manager and the relevant manager.
 - i. The standard of performance for each employee shall be assessed based on the evidence submitted for supporting the achievement of a set annual target using the following scale:

PERFORMANCE SCORING SUGGESTED BY THE REGULATIONS (2006)

Level	Performance Rating Score	Terminology	Description

6. EVALUATING PERFORMANCE

- 6.1 The Performance Plan (Annexure A) to this Agreement sets out -
 - 6.1.1 the standards and procedures for evaluating the Employee's performance; and
 - 6.1.2 the intervals for the evaluation of the Employee's performance.

- b.2 Despite the establishment of agreed intervals for evaluation, the Employer may in addition review the Employee's performance at any stage while the contract of employment remains in force.
- 6.3 Personal growth and development needs identified during any performance review discussion must be documented in a Personal Development Plan as well as the actions agreed to and implementation must take place within set time frames.
- 6.4 The Employee's performance will be measured in terms of contributions to the goals and strategies set out in the Employer's IDP.
- 6.5 The annual performance appraisal will involve:

6.5.1 Assessment of the achievement of results as outlined in the performance plan:

- (a) Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.
- (b) An indicative rating on the five-point scale should be provided for each KPA.
- (c) The applicable assessment rating calculator (refer to paragraph 6.5.3 below) must then be used to add the scores and calculate a final KPA score.

6.5.2 Assessment of the CCRs

- (a) Each CCR should be assessed according to the extent to which the specified standards have been met
- (b) An indicative rating on the five-point scale should be provided for each CCR.
- (c) This rating should be multiplied by the weighting given to each CCR during the contracting process, to provide a score.
- (d) The applicable assessment rating calculator (refer to paragraph 6.5.1) must then be used to add the scores and calculate a final CCR score.

6.5.3 Overall rating

An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisal.

- 6.6 For purposes of evaluating the annual performance of the municipal manager, an evaluation panel constituted of the following persons must be established -
 - 6.6.1 Executive Mayor or Mayor;
 - 6.6.2 Chairperson of the performance audit committee or the audit committee in the absence of a performance audit committee:
